(c) Notwithstanding any other terms in this License, if the Software is licensed as an upgrade or update, then you may only use the Software to replace previously validly licensed versions of the same software. You agree that the upgrade or update does not constitute the granting of a second license to the Software (i.e., you may not use the upgrade or update in addition to the software it is replacing, nor may you transfer the software which is being replaced to a third party).

The Customer acknowledges that all Marks are and will remain the exclusive property of Youmeus Design Ltd.
